Subject: Delisting of "TR" Securities from the Stock Exchange of Thailand

Dear Shareholders of Thai Rayon Public Company Limited

Reference is made to the announcement of the Stock Exchange of Thailand (the "SET") dated 28 October 2026 regarding the delisting of the securities of Thai Rayon Public Company Limited (the "Company"), under the symbol "TR", from being listed securities, effective from 17 November 2026 onwards, due to the Company's failure to maintain the required Free Float qualification and the temporary suspension of trading in the Company's securities for more than one year, which constitutes grounds for delisting pursuant to Clause 7(5)(a) of the SET's Regulation Re: Delisting of Securities B.E. 2564 (2021).

Over the past period, the Company has continuously taken steps and coordinated with the relevant shareholders to explore appropriate measures to address the Free Float qualification. Nevertheless, due to continuous selling of shares by minority shareholders, the criteria prescribed by SET for minority shareholding could not be maintained within the prescribed period. Accordingly, the SET announced the delisting of "TR" securities.

Prior to the effective date of delisting, the SET will allow trading in "TR" securities for 7 business days, from 6 November 2026 to 16 November 2026. During this period, purchases of "TR" securities must be made through Cash Balance accounts, whereby investors are required to pay the full purchase amount in cash prior to purchasing the securities. The "NC" (Non-Compliance) sign will also continue to be posted throughout the trading period.

On 6 November 2026, the first day of the trading period, the SET will waive the Ceiling and Floor price rule, Dynamic Price Band and Auto-Pause measures. Such measures will continue to be waived until a trade occurs, after which normal regulations will resume on the next business day. In addition, "TR" securities will be excluded from the calculation of the SET Index.

Caution to Shareholders and Investors

The Company advises shareholders and investors to exercise caution when trading "TR" securities during the said period prior to delisting and to carefully study the Company's information before making any investment decision, including its financial position, operating results, auditor's report, major shareholders, Board of Directors, historical disclosures, risks and other relevant factors.

The Company would also like to inform shareholders that the delisting constitutes the removal of "TR" securities from being listed securities on the SET and does not constitute the dissolution of the Company. From 17 November 2026 onwards, "TR" securities will no longer be tradable through the SET's trading system. The Company will continue its business operations and comply with its Articles of Association and all applicable laws, rules and regulations that continue to apply to the Company following the delisting.

Following the delisting, shareholders and investors may continue to access information regarding the Company's financial position, operating results, and Form 56-1 One Report through the channels of the Office of the Securities and Exchange Commission, as well as through the Company's website at www.thairayon.com.

The Company recognizes the potential impact of the delisting on its shareholders and will continue to conduct its business with due regard to the interests of the Company and its shareholders as a whole. The Company will also continue to disclose and communicate relevant information to shareholders in accordance with applicable laws, rules and regulations.

The Board of Directors and Management would like to express their sincere appreciation to all shareholders for their continued trust and support of the Company.
